

**READY TO SCALE UP WITH US?**

**Apply to FOUNDAMENTA#6**  
**The Italian call for social impact startups**

*Deadline: 3rd June 2018*

**SocialFare | Center of Social Innovation launches FOUNDAMENTA#6**, the Italian call for social impact business ideas and startups that selects innovative and excellent solutions for the most relevant current social challenges. We offer:

- 4-month full-time acceleration
- Seed fund up to 50K euros for each selected startup
- 6 Impact Areas:  
Welfare, Healthcare, Education, Cultural Heritage, Circular Economy, Food & Agriculture
- Acceleration Program Team specifically dedicated to the selected startups
- Social Impact Acceleration approach by SocialFare
- +50 investors and mentors network
- Free desk in the co-working area and conference room in the hearth of Turin

The program, customized on the specific needs of each startup, works by defining and monitoring specific goals every 2 weeks. The main steps are: **Validation, Business Modelling, Prototyping, Product or service launch and metrics gathering, Investment readiness and scaling.**

# APPLY FOR THE NEW PROGRAM!

We are looking for:

- 1. Business ideas and project teams** highly motivated and fulltime dedicated to social impact oriented projects, both employed or not, without economic or legal pending.
- 2. Tested MVP startups (prototype or on-market product)**, able to grow nationally and internationally as well.
- 3. Companies involved in promoting sustainable development**, operating in the 3 areas of sustainability: social, environmental and economical. These companies stand out by offering products/services, missions, values and positive impact for their stakeholders (from suppliers to employees), for the community in which they operate, thanks to the reputation and transparency of the processes they are able to produce.
